## '89 Walls Katie Pierson

Seth spends his minimum wage on groceries and fakes happiness to distract his mom from the MS that's killing her. It's agony to carry around a frayed love note for a girl who's both out of his league and beneath his dignity. College-bound Quinn is finishing high school on top. That cynical, liberal guy in her social studies class, though, makes her doubt herself and her old assumptions. When their passionate romance takes them both by surprise, they keep it a secret: it's too early to make plans and too late not to care. But it's 1989. As politics suddenly get personal, they find themselves fighting bare-fisted for their beliefs and each other-- in the clear light of day.
