Dracul (Dragon Eye) (Volume 5) Finley Aaron

Rilla may be a dragon, but she's not about to let that get in the way of her plans to finish her college degree. More than anything, she's focused on writing her senior thesis about the true identity of Vlad Dracul, the mysterious Romanian count who inspired the legend of Dracula. The only problem? Rilla needs a rare book that has gone mysteriously missing. So when a handsome stranger shows up at her door, book in hand, and offers her the text in exchange for her help, she accepts his offer, only to discover she's not the only one who wants the book. A centuries-old villain wants the truth to remain buried...and is ready to kill for it.
