What if John Lennon Had Lived?

December 8th 1980

Murphy 'Jagger' Salmon - ageing hippy, part-time drunk and Rolling Stones fan, is on his way home from the pub when he accidentally saves John Lennon from the assassin's bullet.

By way of thanks, Jagger is offered a job working for the former Beatle and the two men quickly become friends.

But as the 1980s move forward, things quickly get out of control. When Lennon suffers a couple of career setbacks, he tries to win back the adulation of his fans by moving into politics.

But the 1980s version of John Lennon is a far cry from the radical left-winger of old. And much to Jagger's horror, when Lennon quickly becomes an unstoppable force in American politics, the working-class hero is transformed into a right-wing poster boy.

There's even talk of a Beatle in the White House.

'FAB' is a fast-paced, rip-roaring ride through the 1980s - a decade in which greed was good and shoulder pads made sense. It was an era of uncertainty - of Cold War and nuclear weapons. 'FAB' also pokes fun at our obsession with celebrity, whilst fondly recalling some of the unique fashions and pop culture moments that made the 1980s so unforgettable.

From reader reviews:

Jamie Sparks:

Hey guys, do you really want to find a new book to read? Maybe the book with the concept FAB suitable to you? Typically the book was written by a popular writer in this era. The actual book titled FAB is the main of several books that will everyone read now. This kind of book was inspired a number of people in the world. When you read this publication you will enter the new dimensions that you ever know before. The author explained their strategy in the simple way, and so all of people can easily to comprehend the core of this e-book. This book will give you a lot of information about this world now. To help you to see the represented of the world in this particular book.

Thomas Brim:

This FAB is great reserve for you because the content and that is full of information for you who also always deal with world and also have to make decision every minute. This specific book reveal it information accurately using great manage word or we can declare no rambling sentences inside it. So if you are read it hurriedly you can have whole details in it. Doesn't mean it only offers you straight forward sentences but challenging core information with wonderful delivering sentences. Having FAB in your hand like keeping the world in your arm, data in it is not ridiculous one. We can say that no publication that offer you world within ten or fifteen second right but this guide already do that. So, it is good reading book. Hi Mr. and Mrs. occupied do you still doubt that will?

Julio Yates:

As a scholar exactly feel bored to be able to reading. If their teacher expected them to go to the library or to make summary for some guide, they are complained. Just little students that has reading's internal or real their leisure activity. They just do what the educator want, like asked to the library. They go to generally there but nothing reading really. Any students feel that reading is not important, boring as well as can't see colorful photos on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this FAB can make you really feel more interested to read.

Rosa Crowe:

Reserve is one of source of expertise. We can add our information from it. Not only for students but native or citizen need book to know the revise information of year for you to year. As we know those textbooks have many advantages. Beside we add our knowledge, also can bring us to around the world. With the book FAB we can get more advantage. Don't that you be creative people? To become creative person must love to read a book. Only choose the best book that suitable with your aim. Don't always be doubt to change your life with this book FAB. You can more attractive than now.
