Book 2 of the Lovers' Wheel series.

Liz is reeling with shock. She has just discovered that her Great-aunt Moira's spooky old house is the last disguised remnant of mystical Avalon, and that Moira has been manipulating her into initiation as an immortal sorceress serving the old powers of nature.

Liz's ordained role is to turn the Wheel of the Year through the seasons by having sex with each of the Twelve Months in turn. The Brothers of the Fall appear to be hot and handsome men, but they are far more daunting than their summer predecessors. Liz now faces three new avatars who are increasingly dominant and kinky. As the year turns inexorably toward the darkness, Liz must embrace the allure of total submission and give them complete control of her sexuality.

Inside Scoop: Liz explores a wide range of erotic experiences, including light bondage and brief f/f touching.

Reader Advisory: This story has graphic sexual language and scenes—no closed bedroom doors (or other rooms) here!

A paranormal erotica story from Ellora's Cave
