Philosophy of Jesus Ernest Holmes

Throughout our lives, we have read and wondered about the miracles of Jesus. But to how many of us has the thought come that this same power must be available to everyone? We have been so accustomed to thinking of Jesus as a man filled with love and compassion and human kindness that we have overlooked something else about him that is equally important. Jesus had access to a spiritual Power that he used in every way. To him it seemed the most natural thing in the world that he should be able to tell the paralyzed man to walk, or multiply the loaves and fishes, or still the wind and waves.

What we want to find is the key that unlocks the doorway to the Power greater than we are. What we want to do is to discover the secret, which he so plainly told us was a certain kind of relationship he had to God, who, he said, was present everywhere and was also within him and within everyone.
