The Matrix and the Alice Books Voicu Mihnea Simandan

The book presents aspects of intertextuality in the motion picture "The Matrix" and the books "Alice's Adventures in Wonderland" and "Through the Looking-Glass" by Lewis Carroll. It makes use of a literary construction developed from Gérard Genette's structuralist theory of transtextuality as a framework to present how a web of intertextual relationships is clearly formed between the "Alice" books and "The Matrix."
