Gorgeous, talented guys like Chase Delany don't go for girls like me. They go for supermodels and actresses, skinny-girls who never eat and spend all day working out. I'm not that girl. So when he locked his fiery brown eyes on me for the first time, then, I couldn't quite believe it was really happening to me.

It was the second night I spent with him that I'll never forget.

** This romance novella is for adults only! Contains super hot, one-on-one sex between two great characters. **
