This is a story from the *More Tales from the Greek Legends* collection.

Bellerophon and the winged horse Pegasus launch into the blue sky in search of the dreaded three-headed Chimera, but will success go to the hero's head? Orpheus, devastated by the death of his wife, Eurydice, dares the dangers of the kingdom of the dead in an attempt to bring her back to life. Echo loves Narcissus but he only loves himself: a story that can only end in sadness. These and other colourful legends from Ancient Greece are retold in lively form by Benjamin Soames, with classical music providing further excitement.
