This newly revised edition of INTERACCIONES bridges the gap between first- and second-year Spanish through a broad focus on useful grammar structures, practical vocabulary, and an overview of culture that is both extensive and detailed. Along with it is a new video program containing six award-winning short films, all delivered within an intuitive and understandable unit organization. INTERACCIONES employs a tried-and-true pedagogical approach with special attention to the use of language in context and the National Standards for Foreign Language Learning.
