Parisian Pleasures - Madame's Bordello of Wanton Women is a sexually provocative, controversial work of classic erotic literature. These previously banned (but secretly best selling) erotic novels and sex stories are elegantly written, lustfully wicked, and beautifully illustrated with vintage erotic art photographs and Victorian 'porn' pictures. Arouse and excite your sexual desires and fetish fantasies with these hot sexy tales of seduction, romance and lascivious lust!

From the book:

"She spoke with a delicious smile, with a look that a woman uses when she wishes to undress a man with her eyes and say to him, 'Now come, let me see you.' This passage of words transported me with desire, indicating to me a horizon of endless pleasures. I clasped her lovingly in my arms, exchanging, tongue kisses with her, then assisted her to undress.

I seized every opportunity for deliciously touching her bare flesh, intoxicated by the sweet fragrance emanating from her undergarments which she had carefully selected - for every woman knows that the charms of her person are a treasure for privileged eyes. Very soon she allowed herself to be invaded by symptoms of pleasure. Her lovely breasts began rapidly to heave, her eyes half closed languorously. Was it real, or was she only pretending as part of her assumed role of a woman of pleasure?"

ABOUT THE PUBLISHER: EROTIC EVOLUTION E-BOOKS

(Publishers of Classic Erotic Literature and Love Stories - Fully Illustrated with Nude Art Photography)

Erotic Evolution publish quality erotic sex stories for Kindle eBooks. After reviewing several hundred famous romance and Victorian erotic novels (previous bestsellers and banned books) we have selected the best erotic sex stories based on the sexual content, character and story development, quality of erotic literature and types of sex scenes (they are clearly connected - sex is better when the stories and characters are 'real').

We publish provocative 'hardcore' sex in literature (previously classified as pornography and banned) simply because this reflects the truth of our sexual evolution - sex is central to our existence and connects back to our primitive wild animal instincts. We can creatively cultivate our sexuality to be moral and beautiful - but also hot, sexy and smutty - to make the most of our primitive passions of love and lust, pleasure and pain! Reading quality erotic books cultivates the sexual side of our mind, enhances our sexual lust, and adds spice and variety to our sex lives, thus we think you will love our collection of sexually provocative erotic fiction and sex stories - in thought and action.
