As a combat hardened Navy SEAL, Thom Grande has fought terrorism around the globe, but he can't fight his ex-wife. Or her lawyer. Or the alimony payments. Just when he thinks his life can't get any worse, bad luck smacks him up side the head-literally. Now he's got a traumatic brain injury and can't remember his own name. The good news? He can't remember his ex-wife or the woes she's causing him either. Virginia Starr has the worst luck ever with men. But maybe her luck is changing because one hell of a hot man just showed up at her door in the middle of the night. One problem-he can't remember anything, including who he is. The more Ginny sees, the more she realizes, that might not matter all that much. Don't miss the rest of the Hot SEALs series!
