The Sega Master System Encyclopedia: Volume 1: Action Fighter - F-16 Fighting Falcon Derek Slaton
The Sega Master System Encyclopedia aims to be the definitive publication on the system. Every game has an in depth review, multiple screen shots, and cover shots. The goal with this is to make sure that the memory of the games from this era lives on for future gaming generations. Granted not all of the games within these pages deserve to be remembered fondly, but they do deserve to be remembered nonetheless. The reviews are equal parts informative and entertaining. While the purpose of encyclopedias isn't to be entertaining, the purpose of gaming is, so there was a great effort to make reading about games fun. In Volume One a total of 29 games are examined.
