Behind the Scenes Judi Dench

From her first theatrical roles as a teenager in York to her scene-stealing performances as 'M' in the James Bond films, Dame Judi Dench's professional life has consisted of non-stop acting, leading to numerous accolades, including an Academy Award for her performance as Queen Elizabeth I in *Shakespeare in Love*. *Behind the Scenes* is a candid blend of reminiscences and photos, many of them never-before-seen from her personal collection. It's a uniquely personal take on her life and brilliant career, showing her off-stage as well as on. Looking back, she provides her millions of fans with reflections and remembrances of those who have mattered to her most - her family, fellow actors, directors and writers - communicating them with the truth and insight that is the hallmark of her acting. *Behind the Scenes* takes up where her *New York Times* bestselling memoir *and furthermore* left off. Dame Judi looks back on the last few years to talk about her role as "M" in the Bond films, the joy of ensemble acting in *The Best Exotic Marigold Hotel*, the chance to tell the story of the heroic woman at the center of *Philomena*, her joy in appearing with other great actresses in the Materpiece Theatre *Cranford* and her return to the stage in *Peter and Alice*. Tireless in her desire to perfect her craft, she says "I simply want to go on acting. I suppose I could always be wheeled on stage if necessary. The great thing about acting is that it never ends."
