Caleb Cassell always gets what he wants.

Starting out as a fighter, Caleb and his friend, Henry, have fought their way to the top. They've left a trail of bodies behind them and forged a life out of violence and illegal dealings. They control girls, guns, drugs, and are not afraid of taking out anyone who threatens their business.

When Caleb first sees Donna working in the jewelry store, he knows he wants her. Donna's latest customer scares and excites her. She tries to fight off his advances but all too soon she gives in.

One date turns into a second, and before she knows what's happening they're together. When the truth of who he is comes out, can Donna find it in her heart to remain with him? Who could love a crime boss that everyone fears?
