From the nationwide satanic panic in the 1980s to local political cover-ups, shocking kidnappings, unsolved child murders, and scandalous pedophile rings, this book takes you behind the deceptive headlines and, finally, reveals what was going on in Omaha when all hell broke loose. Rich and well-connected members of Omaha's elite carried out unspeakable acts of abuse and even murder on innocent children. David Shurter was one of those sexually abused survivors forever scarred by the horrible rites performed on him by his own parents and other followers of Satan. It wasn't until he entered psychotherapy in midlife that long ignored childhood memories came to light, and when he discovered his gruesome nightmares were indeed real. This book, finally, is an expose of the surprising participants and unbelievable horrors involving murder, drugs, lavish parties, pedophiles, suspected government conspiracies, and the Omaha gay scene that cast a dark cloud of suspicion over an unsuspecting city. David Shurter takes you down the rabbit hole.
