A prominent San Francisco socialite questions her husband's loyalty. She secures the services of Simon Purvis. A surveillance team is put in place. Initial daily reports prove her suspicions unfounded. Then the unexpected happens. Simon's client is found murdered. It appears her demise came when she interrupted a burglary in process. Too coincidental for Simon's belief. Who would gain? Was her murder a conspiracy? Was it possible the husband, while under the watchful eye of Simon's team, murdered his own wife? This book contains adult language and graphic sexual scenarios.
