Contra todos los enemigos (Against All Enemies) (Spanish Edition)

Richard A. Clarke

Contra todos los enemigos (Against All Enemies) (Spanish Edition) Richard A. Clarke

In this best-selling book, Richard A. Clarke shares inside information, as he perceived it during his years as a counterterrorism czar, national security counselor to three presidents. He particularly focuses on the lack of interest the Bush administration showed towards taking a close and serious look at the al Qaeda terrorism threat, and how the September 11th attacks were a springboard towards the war against Iraq when in reality there has yet to be any proof that shows Saddam Hussein had any connections with bin Laden.

"The [Bush] administration has squandered the opportunity to eliminate al Qaeda...." No one has more authority to make that claim than Richard Clarke, former counterterrorism czar for both Bill Clinton and George W. Bush. The one person who knows more about Usama bin Laden and al Qaeda than anyone else in this country, he has devoted two decades of his professional life to combating terrorism. Richard Clarke served seven presidents and worked inside the White House for George H.W. Bush, Bill Clinton, and George W. Bush until he resigned in March 2003.

Description in Spanish: Nadie mejor que Richard Clarke, el antiguo zar del antiterrorismo con Bill Clinton y George W. Bush para afirmar que la Administración Bush ha desperdiciado la oportunidad de eliminar Al Qaeda.

El mayor experto de Estados Unidos en Bin Laden y Al Qaeda ha dedicado dos décadas de su vida profesional a combatir el terrorismo. Hasta su renuncia en marzo de 2003, trabajó en la Casa Blanca con George H. W. Bush, Bill Clinton y George W. Bush, por lo que conoce mejor que nadie los éxitos y fracasos de la etapa Clinton, las causas de que no se consiguiera evitar el 11 de septiembre, la reacción de Bush y los entresijos DE los días posteriores. También sabe si Irak era una amenaza real para Estados Unidos y si la invasión ha implicado costes ocultos.
