Gangsters and Goodfellas: The Mob, Witness Protection, and Life on the Run Henry Hill

"At the age of twelve, my ambition was to become a gangster. To be a wiseguy was better than being President of the United States. To be a wiseguy was to own the world." ? Henry Hill

When Henry Hill entered the Witness Protection Program, he was certain that his criminal days had finally come to an end. He was wrong.

For over twenty years, Henry Hill lived the high life as a powerful member of the Lucchese crime family, a life immortalized in Martin Scorsese's classic film *GoodFellas*. After his arrest in 1980, he disappeared into the Witness Protection Program. With this book, Henry comes clean about his last twenty years, filling in the gaps about his recent past as well as setting the record straight on his days as a wiseguy. At once hilarious, unpredictable, scandalous, and arresting, Henry Hill's tale will destroy everything you thought you knew about the Witness Protection Program.
