Book Description

Network Marketing...this is a new business model where you can make millions and start on the road to riches today!

Network Marketing...learn the Mindset of the Million Dollar Earner.

Network Marketing...this is where you choose the playing field, the game and the rules. All of the rules. You choose your team, your time and your goals. Your scoring is measured in the amount of money, joy and freedom you attain.

Wasn't the previous goal to acquire life, liberty and the pursuit of happiness? I read that somewhere. That set of goals got quite lost in the old version of the job games. We reached for a certain dollar per hour instead. We don't have enough hours in the day available to be paid by the hour. Time to reacquire that goal. Life, liberty and the pursuit of happiness. In today's new world, the question is only "what does that mean to you?"

- Networkers write their own schedules.
- Networkers write their own goals.
- Networkers write their own rules.

- The only thing Networkers don't get is paid by the hour. Sorry about that.
- Networker Marketers have choices.
- Networker Marketers choose to learn how to be a millionaire.
- Networker Marketers choose to learn a new mindset here, today.

How to be a Millionaire...let's find out.
