"What a powerful, very needed, and welcome sequel to A Social Change Model for Leadership Development Guidebook. It is an inspiring and liberating book in that it validates each one of us as we discover and practice the gifts we have been given." —Helen S. Astin, professor emerita of higher education and senior scholar, Higher Education Research Institute, UCLA

"While simple schemes and models of leadership can have their appeal, the more challenging view proposed in Leadership for a Better World is not only more realistic but infinitely more fulfilling. This form of leadership calls us to look at our own deep yearnings and then respect those of others in the amazing global community of the twenty-first century." —Denny Roberts, assistant vice president for faculty and student services, Qatar Foundation

Grounded in student experiences, this book includes student voices, stories, and contemporary case studies. Written in an informed and approachable tone, it provides a coherent set of guiding principles about how knowing oneself, meaningfully engaging with others, and adopting a systems perspective can promote the socially responsible leadership so needed in the world today." —Julie E. Owen, assistant professor, Leadership and Integrative Studies, George Mason University
