I stand in front of my sister and her baby, staring at them both in absolute shock and horror. Rachel's baby girl is beautiful with her dark hair and sparkling brown eyes staring back at me...

Zack's daughter.

She's also my niece and the one thing which threatens to tear us apart forever. I can't be the reason that she grows up without a father and I refuse to be the obstacle which stands in the way of Zack getting to know his own child. The kindest thing I can do for everyone is disappear and I'm more than willing to sacrifice my own piece of happiness for Zack's if that's what I must do.

This also means I must leave him... for good.

I just pray he will let me go." - Samantha

"Samantha brought me to life and makes me feel alive. I'm not afraid to admit that my love for her has become an obsession. I'm addicted to her and the compulsion to be with her has now consumed me entirely. She thinks I'm going to let her walk away from me. She actually believes I would actually let her go after the torment that I've been through just to keep her. She's severely deluded if she thinks I'm about to admit defeat and let her walk away. Screw the fact that it might be wrong or unhealthy... I'm willing to do everything and anything in my power to make sure I keep her...

Even if that involves something she doesn't like.

She can run but I will always find her. Samantha is mine and no one is going to take her from me..." - Zack
