Some Women

Emily Liebert

Some Women Emily Liebert

An engrossing novel that examines the intricacies of marriage, friendship, and the power of unexpected connections...

Annabel Ford has everything under control, devoting her time to her twin boys and keeping her household running smoothly. But when her husband of a decade announces that he's leaving, she's blind-sided. And suddenly her world begins to unravel.

Piper Whitley has always done her best to balance it all—raising her daughter Fern by herself while advancing her career as a crime reporter. Only now that she's finally met the man of her dreams, Fern's absentee father shows up, throwing everything into a tailspin.

Married to the heir of a thriving media conglomerate, Mackenzie Mead has many reasons to count her blessings. But with an imperious mother-in-law—who's also her boss—and a husband with whom she can no longer seem to connect, something has to give.

On the surface, these three women may not have much in common, but just when they each need someone to lean on, their lives are thrust together, forming unlikely friendships that help each woman navigate her new reality.

From the Trade Paperback edition.

From reader reviews:

Jack Cluck:

Here thing why this particular Some Women are different and reliable to be yours. First of all studying a book is good nevertheless it depends in the content from it which is the content is as yummy as food or not. Some Women giving you information deeper and in different ways, you can find any e-book out there but there is no reserve that similar with Some Women. It gives you thrill looking at journey, its open up your current eyes about the thing which happened in the world which is probably can be happened around you. It is possible to bring everywhere like in recreation area, café, or even in your technique home by train. Should you be having difficulties in bringing the paper book maybe the form of Some Women in e-book can be your substitute.

Deborah Martins:

The book Some Women has a lot info on it. So when you read this book you can get a lot of help. The book was compiled by the very famous author. This articles author makes some research prior to write this book. This book very easy to read you can get the point easily after reading this article book.

Caroline Hagemann:

Beside this specific Some Women in your phone, it can give you a way to get more close to the new knowledge or data. The information and the knowledge you may got here is fresh in the oven so don't possibly be worry if you feel like an older people live in narrow village. It is good thing to have Some Women because this book offers to your account readable information. Do you oftentimes have book but you do not get what it's interesting features of. Oh come on, that won't happen if you have this in your hand. The Enjoyable set up here cannot be questionable, similar to treasuring beautiful island. So do you still want to miss that? Find this book and read it from at this point!

Gene Lyons:

As a university student exactly feel bored for you to reading. If their teacher questioned them to go to the library or to make summary for some publication, they are complained. Just tiny students that has reading's spirit or real their pastime. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that reading is not important, boring along with can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this era, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this Some Women can make you feel more interested to read.
