**Eternal Life: A New Vision Beyond Religion, Beyond Theism, Beyond Heaven and Hell** John Shelby Spong

The leading Christian liberal & pioneer for human rights challenges traditional Christian theology to answer the question of life beyond death. Bishop Spong, author of *Jesus for the Non-Religious & Why Christianity Must Change*, is known for his controversial ideas & fighting for minority rights. Spong's natural gift for storytelling comes through in this remarkable spiritual journey about his life-long struggle with the questions of God & death in which he reveals how he ultimately came to believe in eternal life. God, says Spong, is ultimately one, & each one of us is part of that oneness. This is how we live on after death: not in Heaven or Hell, but as part of the eternity that continues after we die beyond the barriers of time & space. The discovery of the eternal can be found within each of us as we go deeper into ourselves & by seeking it, by living each day to its fullest, we will come to understand how we live eternally.
