On the planet Celta, accepting a HeartMate can be the greatest challenge in the universe...

Antenn, an architect hired to build a cathedral in Druida City, dares not think of his HeartMate. Even though he yearns for her, he's taken steps to ensure she will be forever unknown to him. After all, how could he, a commoner who grew up in the slums, the brother of a murderer, be worthy of any woman?

Tiana, a priestess, has her own fears about being a HeartMate. She's watched her friends struggle with such a stormy destiny. She's sure her HeartMate has never claimed her due to a terrible scandal involving her Family, and she's set aside hopes for love.

Antenn's gotten the commission of his life. The cathedral will make him famous, but more, it will last for ages and prove to others he can contribute to Celta...if the controversial structure isn't destroyed while being built. Tiana, too, is an integral part of this process, but the villain who wrecked her Family is ready with firebombs. Can they trust each other in dangerous circumstances to succeed...and to love?
