## **Plato and the Individual (RLE: Plato)** David Rankin

This book explores the life-history of the individual within the context of Plato's social thought. The author examines Plato's treatment of the principal crises in an individual life - birth, educational selection, sex, the individual's contract with society, old age, death, and life after death – and provides an unprecedented analysis of Plato's theory of genetics as it appears in the *Timaeus*. Comparisons are made with contemporary developments in anthropology, sociology, and comparative myth but without losing sight of the fact that Plato, whilst having much to say to the modern world, was not a modern.
