Queens of the Stone Age: No One Knows

Joel McIver

Queens of the Stone Age: No One Knows Joel McIver

This updated edition of the first ever book about Queens Of The Stone Age takes in nine years of chaos. Since the first edition appeared in 2005, Josh Homme's band has undergone multiple line-up changes, toured the world and released two acclaimed albums. They have taken on a new version of Homme's old band Kyuss in court and helped to spawn multiple projects such as Them Crooked Vultures and a supergroup featuring Homme, Foo Fighters singer Dave Grohl and Led Zeppelin bassist John Paul Jones. Along the way there have been death, near-death and physical confrontations of all kinds, with Homme's near-fatal asphyxiation during a knee operation in 2010 almost ending the band. Want to know about the pitfalls of being in a rock band? Read it all here...
