**THE BREAKAWAY:** When Naomi Jensen is kidnapped, it takes her parents two days to realize she's missing. Escape isn't high on her list of priorities when all she has to return to is an abusive boyfriend and parents who never paid much attention to her. For the first time in her life she's part of a family—even if it is a family of criminals. But she's still a captive. In a desperate attempt to regain some control in her life, Naomi embarks on a dangerous plan to make one of her kidnappers think she's falling in love with him. The plan works too well, and when faced with the chance to escape, Naomi isn't sure she wants to take it.

**PIECES:** Two years after watching her kidnappers go to prison, Naomi Jensen is still in love with one of them. Jesse will be released in a few years, and Naomi knows college is the perfect distraction while she waits. But when her new friend Finn makes her question what is right and what is wrong, she begins to wonder if Jesse is the one for her ... until she discovers he's out on parole. Naomi must sort through her confusion to figure out where love and freedom truly lie—in Finn, who has no connections to her past, or Jesse, who has just asked her to run away with him.

**UNBROKEN:** Fourteen years after her kidnapping, Naomi has moved on from her traumatic past. She has a new last name, a career she loves, and nobody to hold her down. When she lands her dream job managing a restaurant in Italy, she resolves not to think about what happened in that country with Jesse eleven years ago.

But Naomi's past won't let her go that easily.

One by one, her former kidnappers are being released from prison. When Naomi runs into Evelyn at a local market, her perfect life is turned upside down and curiosity leads her step by step back to Jesse. She's looking for closure, but what she finds along the way changes everything, leaving her at one last crossroads with her former kidnappers.
