The First World War: A Complete History

Martin Gilbert

The First World War: A Complete History Martin Gilbert

The acclaimed British historian offers a majestic, single-volume work incorporating all major fronts-domestic, diplomatic, military-for "a stunning achievement of research and storytelling"

(Publishers Weekly)

It was to be the war to end all wars, and it began at 11:15 on the morning of June 28, 1914, in an outpost of the Austro-Hungarian Empire called Sarajevo. It would end officially almost five years later. Unofficially, it has never ended: the horrors we live with today were born in the First World War.

It left millions-civilians and soldiers-maimed or dead. And it left us with new technologies of death: tanks, planes, and submarines; reliable rapid-fire machine guns and field artillery; poison gas and chemical warfare. It introduced us to U-boat packs and strategic bombing, to unrestricted war on civilians and mistreatment of prisoners. Most of all, it changed our world. In its wake, empires toppled, monarchies fell, whole populations lost their national identities as political systems, and geographic boundaries were realigned. Instabilities were institutionalized, enmities enshrined. And the social order shifted seismically. Manners, mores, codes of behavior; literature and the arts; education and class distinctions-all underwent a vast sea change. And in all these ways, the twentieth century can be said to have been born on the morning of June 28, 1914.

"One of the first books that anyone should read in beginning to try to understand this war and this century."

-The New York Times Book Review (cover)

From reader reviews:

Robert Thomas:

Hey guys, do you want to find a new book to study? Maybe the book with the name *The First World War: A Complete History* suitable to you? Often the book was written by a popular writer in this era. The particular book entitled *The First World War: A Complete History* is one of several books which everyone reads now. This book has inspired many people in the world. When you read this e-book you will enter the new dimensions that you have never known before. The author explained their concept in a simple way, so all of us can easily recognize the core of this publication. This book will give you a large amount of information about this world now. So that you can see the representation of the world with this book.

Margaret Walker:

This *The First World War: A Complete History* is a new way for you who has curiosity to look for some information because it relieves your hunger for details. Getting deeper into it, getting knowledge, more you know or perhaps you who still have a little bit of a digest in reading this *The First World War: A Complete History* can be the light food for you because the information inside this kind of book is easy to get by simply anyone. These books develop themselves in the form which can be reached by anyone, that's why I mean in the e-book web form. People who think that in reserve form makes them feel tired even dizzy, this guide is the answer. So there is not any in reading an e-book especially this one. You can find what you are looking for. It should be here for an individual. So, don't miss it! Just read this e-book type for your better life along with knowledge.

Edward Lott:

Don't be worried should you be afraid that this book may fill the space in your house, you could have it in e-book way, more simple and reachable. This particular *The First World War: A Complete History* can give you a lot of close friends because by investigating this one book you have a factor that they don't and make an individual more like an interesting person. That book can be one of the steps for you to get success. This guide offers you information that probably your friend doesn't recognize, by knowing more than some others make you to be great persons. So, why hesitate? We should have *The First World War: A Complete History*.

Christopher Hendrick:

As a student, I exactly feel bored to help reading. If their teacher asked them to go to the library in order to make a summary for some reserve, they are complained. Just small students that have reading's heart or real hobby. They just do what the instructor wants, like asked to the library. They go to at this time there but nothing reading really. Any students feel that reading is not important, boring as well as can't see colorful images on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we really wish for. Likewise, word says, ways to reach Chinese's country. Therefore this *The First World War: A Complete History* can make you experience more interested

to read.
