**The Story of a Seagull and the Cat Who Taught Her to Fly** Luis Sepulveda

Published in 20 countries, sold over 1 million copies, and the subject of a feature film, THE STORY OF A SEAGULL AND THE CAT WHO TAUGHT HER TO FLY has finally come to the U.S.!

It's migration time and as a mother gull dives into the water to catch a herring she's caught in an oil slick!

Thinking of the egg she is about to lay she manages to extract herself and fly to the nearest port.

Exhausted, she lands on a balcony where Zorba the cat is sunning himself. Zorba wants to get help, but the gull knows it's too late and she extracts three promises from him: 1) That he won't eat the egg, 2) that he'll take care of the chick until it hatches, and 3) that he'll teach it to fly.

Well the first two are hard enough, but the third one is surely impossible. Isn't it?
