As a Woman Thinketh

Dorothy Hulst, James Allen

As a Woman Thinketh Dorothy Hulst, James Allen

Dorothy Jean Hulst, a free-lance writer, had as one of her favorite books *As A Man Thinketh*, by James Allen. In this short volume, Allen expressed his belief that an individual, through the power of positive thought, forms his or her character and consequent happiness. Hulst was inspired by the content of Allen's book but tired of the mental exercise required to substitute feminine equivalents for masculine terms. Using a pencil, she crossed out all masculine references, replacing them with feminine words. The result, *As A Woman Thinketh*, allows women to identify directly and personally with Allen's concepts.

FROM THE AUTHOR:

Calmness of Mind is one of the beautiful jewels of wisdom. It is the result of long and patient effort in self-control . . . The calm woman, having learned how to govern herself, knows how to adapt herself to others; and they, in turn, reverence her spiritual strength, and feel that they can learn of her and rely upon her . . . The strong, calm woman is always loved and revered. She is like a shade-giving tree in a thirsty land, or a sheltering rock in a storm.
