**The past is repeating itself--and time is running out**

It's been more than two years since homicide detective Livy Reynolds's cousin disappeared from Logan Point. Unlike most people in her hometown, Livy has never believed that Robyn left voluntarily. When Dallas private investigator Alex Jennings contacts her concerning a senator's missing granddaughter who was last seen in Logan Point, Livy notices eerie similarities between the two disappearances. With self-doubt plaguing her and an almost instant dislike of the self-assured PI, she's finding this investigation an uphill battle. But with the prospect of finding her cousin on the horizon, she'll have to find a way to work with Alex--before it's too late.

Award-winning author Patricia Bradley keeps you on the edge of your seat with a case--and a relationship--that is anything but certain.

"Patricia Bradley has hit a home run. The suspense is high, the romance is sweet, and the villain is one you want to see caught and brought to justice. *Gone without a Trace*, a novel of forgiveness and finding one's place in the world, brings home the point that while not everything in life may go the way you want, God is still in control. Can't wait for the next book!"--**Lynette Eason**, bestselling, award-winning author of the Hidden Identity series

**Patricia Bradley** is the winner of a 2012 Daphne du Maurier Award and a 2012 Touched by Love Award and was also a finalist for the 2012 Genesis Award. The author of *Shadows of the Past* and *A Promise to Protect*, she is a member of American Christian Fiction Writers and Romance Writers of America. Bradley makes her home in Mississippi.
