Women are complicated. They really, truly are. Ask any guy, he will tell you. However, us men can influence women. We can turn them into great lovers. We can turn them into nymphomaniacs! This book shows you how. Part of the reason women are complicated is they are ruled by their hormones at least half of the hours of their lives. These hormones influence their behavior so strongly that at times men would swear they act like at least two different girls in one body. By using the techniques in this book, you, Dear Reader, will be able change their hormone cascade to make them a caring mother and wife at one time and then a raging sex goddess at another. Guys rule! With this book in your back pocket, your life will be perfect! And your girl will be smiling every hour of every day. Sorry to tell you this, guy, but women need sex far more than men do. It is like a big secret. If men knew how easy it was to turn women into mindless sex machines, women would be at the mercy of any man they met. That is the last thing they want. Girls want to be in the drivers seat. They want men to love them when they want to be loved, not the other way around! Buy this book right now, men. Time is a wasting. There are so many women in the world who are dying to meet you. Dying to meet a man in the know. Dying to meet a man who can make them happy, if only for a few hours, a couple of days or for a life time of devotion. The choice is yours. You lucky man, you!
