Ever wonder what it would be like to work Public Relations for Ford, or General Motors? Imagine a thousand cameras flashing in your eyes through a forest of microphones, everyone millions of dollars and world-wide headlines riding on your every word as you try to navigate your company through crisis, time and time again. It's not for the faint of heart... But it does make for one entertaining memoir! Welcome to the life of Jason Vines, the man who preserved the good name of Ford/Firestone, Jeep, General Motors, Nissan, Chevy, and other mega-companies throughout one catastrophe after the next. In Vines' candid first book, *What Did Jesus Drive*, you'll hear about all the trials, tribulations, hilarity, and heartbreak of being a master PR consultant straight from the man with the silver tongue himself! Outrageous as it is insightful, shocking as it is refreshing; *What Did Jesus Drive* will have you laughing yourself hoarse all the while teaching you how to keep your cool with IT hits the fan! This isn't the PR class you took in Business School! And relax; this is not a book about Jesus. (Although he does appear in two chapters: first as a Hispanic grandfather from Waterford, Michigan, and later as the real Prince of Peace.) No, this book is about a life in the public relations blast furnace of the automotive industry; being the only man on the front line. If you're a company owner, CEO, PR professional, the lessons and stories in this book are **INVALUABLE** for you and everyone in your PR department! Even if you're just somebody who enjoys a look into the wild ride in the world of corporate America, this book is for you.
