The Book of Angels: Dreams, Signs, Meditation - The Hidden Secrets Christiane Muller, Kaya

Increasingly, The Traditional Study of Angels is being discussed as a philosophy for spiritual autonomy that will mark the decades to come. Distinguishing itself from books that merely pass through one's life, The Book of Angels, The Hidden Secrets, Dreams - Signs - Meditation by Kaya and Christiane Muller, transports us to the heart of the application of spiritual life and allows us to discover that Angels, usually represented as little children with wings, are in reality Fields of Consciousness that inhabit all of us. Working with The Traditional Study of Angels is very simple. It is sufficient to repeat the name of an Angel, like a mantra, as often as possible, while meditating, walking, doing daily tasks, etc. When done on a daily basis, this recitation triggers teachings through dreams, signs and powerful expansions of consciousness that lead us to understand that, whatever name we use, God is in fact an immense Computer in which we live. **The Book of Angels, The Hidden Secrets, Dreams - Signs - Meditation** offers testimonials by those who practice this ancient path of Knowledge. It is an essential tool for all those who wish to understand in depth the meaning of dreams, signs and daily events. This book, a major bestseller in the field of spirituality throughout the world, is being discovered by more and more people every day and is presently being translated into several other languages. Positioning itself literally as an ageless classic, and in addition to having become a reference on Angels in many countries, this unique book is a collection of hundreds of personally experienced events and dream analyses. It allows us to discover what spiritual life is in its concrete application. If a person asks you for a book on Angels or on the interpretation of dreams and signs, this work is the most important reference you can suggest.
