A Gym Affair Derren Grathy

When your virile lover from the gym sneaks into your bedroom, he will discover your fertile secret. Reminiscing about unprotected first encounters and unrestrained adulterous lovemaking, your gym-stud finds that the seeds he sowed inside your womb months ago have taken root. What began as a simple affair has grown into so much more, and his passionate reaction to the sight of your pregnancy-swollen belly will leave you breathless...

A Gym Affair is told in 2nd-person dialogue from the perspective of a married woman's gym lover. His sultry diction contains elements of adultery, risky sex, impregnation, and pregnancy discovery. The accounts of wild sex both past and future combined with the reader-involving perspective will paint a vividly naughty story and absolutely tantalize the fairer sex.
