There are people who consider crochet work as a bit difficult form of art. But those who have mastered the basics of crochet work (i.e. how to twist the yarn in the hook) undoubtedly fall in love with this type of kitting work and they carry on with the hobby. No one is satisfied with just a few patterns they have learnt in the beginning and they are always looking for new patterns to try their hands. Here I bring some of the wonderful crochet patterns which will promote you from the beginner level to the intermediate level and I am sure that you will enjoy making these wonderful items.
