English Poetry and Old Norse Myth: A History Heather O'Donoghue

English Poetry and Old Norse Myth: A History traces the influence of Old Norse myth -- stories and poems about the familiar gods and goddesses of the pagan North, such as Odin, Thor, Baldr and Freyja -- on poetry in English from Anglo-Saxon times to the present day. Especial care is taken to determine the precise form in which these poets encountered the mythic material, so that the book traces a parallel history of the gradual dissemination of Old Norse mythic texts.

Very many major poets were inspired by Old Norse myth. Some, for instance the Anglo-Saxon poet of *Beowulf*, or much later, Sir Walter Scott, used Old Norse mythic references to lend dramatic colour and apparent authenticity to their presentation of a distant Northern past. Others, like Thomas Gray, or Matthew Arnold, adapted Old Norse mythological poems and stories in ways which both responded to and helped to form the literary tastes of their own times. Still others, such as William Blake, or David Jones, reworked and incorporated celebrated elements of Norse myth - valkyries weaving the fates of men, or the great World Tree Yggdrasill on which Odin sacrificed himself - as personal symbols in their own poetry. This book also considers less familiar literary figures, showing how a surprisingly large number of poets in English engaged in individual ways with Old Norse myth. *English Poetry and Old Norse Myth: A History* demonstrates how attitudes towards the pagan mythology of the north change over time, but reveals that poets have always recognized Old Norse myth as a vital part of the literary, political and historical legacy of the English-speaking world.

Find this book and also read it from currently!

Michael Medellin:

Is it anyone who having spare time then spend it whole day simply by watching television programs or just lying down on the bed? Do you need something new? This English Poetry and Old Norse Myth: A History can be the respond to, oh how comes? A fresh book you know. You are consequently out of date, spending your free time by reading in this new era is common not a geek activity. So what these books have than the others?

Daniel Martin:

As a scholar exactly feel bored to reading. If their teacher questioned them to go to the library or even make summary for some publication, they are complained. Just very little students that has reading's heart and soul or real their pastime. They just do what the instructor want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that examining is not important, boring along with can't see colorful images on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this English Poetry and Old Norse Myth: A History can make you sense more interested to read.
