## **The Blackmail Club, a Jack McCall Mystery** David Bishop

Washington, D.C., is a town full of powerful people hiding ugly secrets. The blackmailer, a renaissance man, keeps his promise: pay me, I'll return the juicy evidence I have against you, and you'll never hear from me again. Jack McCall, a former operative for the U.S. intelligence community and now a private investigator hunts this wily and diabolical madman. His victims, having paid and not been further extorted, are reticent to admit ever having been blackmailed. McCall's efforts to solve the case are assisted by Nora Burke, his sexy assistant who also helps Jack recover from the loss of his wife, and Max Logan, a retired detective of Irish-Scottish parentage. Chock full of colorful characters from the worlds of politics, art, and the media, The Blackmail Club is a cerebral, physical and sexy five-course gourmet meal of mystery. Sit back and fasten your seatbelt, relax, and be entertained while you try to fit together the final pieces before you turn the final pages.
