BEATRIX POTTER

THE TALE OF Mrs. TITTMOUSE

Tells the tale of Mrs Tittlemouse, a tidy little wood mouse. She is always sweeping her burrow, polishing and tidying. It is an endless job and it seems that no sooner has she made a good start than another messy visitor appears and leaves their muddy footprints everywhere.

In this tale, Beatrix Potter drew the uninvited insect guests, from spiders to bees, found in Mrs Tittlemouse's underground home, from the microscopic studies of insects she made in the Natural History Museum in her youth.
