In the shadow of a rugged mountain range in the Philippines, lies San Ysidro, a rice farming community of tradition-bound residents determined to maintain their way of life that includes telling folklore tales around the campfire. Unfortunately as time goes on, change appears to be inevitable for the San Ysidroans.

More than two decades after a violent crime transforms San Ysidro forever, events begin to unfold as an ancient ritual, the Annako, demands revenge for the victims' souls. As the spirits stir, a mother, her daughter, and a newspaper reporter are drawn into the dark past and into a world where the line between reality and the supernatural is blurred. As all three are led on circuitous paths of mystery made worse by violent threats and political scandals, now only time will tell whether they will find answers and peace for the victims' souls.
