## **A Secret Kept: A Novel** Tatiana de Rosnay

Antoine Rey thought he had the perfect surprise for his sister Mélanie's birthday: a weekend by the sea at Noirmoutier Island, where the pair spent many happy childhood summers playing on the beach. It had been too long, Antoine thought, since they'd returned to the island—over thirty years, since their mother died and the family holidays ceased. But the island's haunting beauty triggers more than happy memories; it reminds Mélanie of something unexpected and deeply disturbing about their last island summer. When, on the drive home to Paris, she finally summons the courage to reveal what she knows to Antoine, her emotions overcome her and she loses control of the car.

Trapped in the wake of a family secret shrouded by taboo, Antoine must confront his past and also his troubled relationships with his own children. How well does he really know his mother, his children, even himself? Suddenly fragile on all fronts – as a son, a husband, a brother and a father – Antoine Rey will soon learn the shocking truth about his family and himself.

By turns thrilling and seductive, with a lingering effect that is bittersweet and redeeming, Tatiana de Rosnay's *A Secret Kept* is the story of a modern family and the invisible ties that hold it together.
