We have fought battles that left more than a hundred corpses on the ground, and not a word of it has ever been set down. The Order fights, but often it fights in shadow, without glory or reward. We have no banners. Vaelin Al Sorna's life changes for ever the day his father abandons him at the gates of the Sixth Order, a secretive military arm of the Faith. Together with his fellow initiates, Vaelin undertakes a brutal training regime - where the price of failure is often death. Under the tutelage of the Order's masters, he learns how to forge a blade, survive the wilds and kill a man quickly and quietly. Now his new skills will be put to the test. War is coming. Vaelin is the Sixth Order's deadliest weapon and the Realm's only hope. He must draw upon the very essence of his strength and cunning if he is to survive the coming conflict. Yet as the world teeters on the edge of chaos, Vaelin will learn that the truth can cut deeper than any sword.
