## Crime in the United States 2011

*Crime in the United States* contains findings that the Federal Bureau of Investigation (FBI) releases annually from its Uniform Crime Reporting Program. Although it is no longer printed by the FBI, Bernan Press continues to provide this practical information in convenient book form. This edition contains final data from 2009, the latest data that are currently available.

Legal and law enforcement professionals and researchers will find crime statistics for the nation as a whole—and for regions, states, counties, cities, towns, and college and university campuses for violent and property crimes.

This publication includes:

- violent and property crime counts
- crime trends
- data on crimes cleared
- persons arrested (age, sex, and race)
- law enforcement personnel (including the number of sworn officers killed or assaulted)
- the characteristics of homicides (including age, sex, and race of victims and offenders; victim-offender relationships; weapons used; and circumstances surrounding the homicides)

New for 2011:

- updated data on hate crimes

Violent crimes include:

- murder and non-negligent manslaughter
- forcible rape
- robbery
- aggravated assault

Property crimes include:

- burglary
- larceny-theft
- motor vehicle theft
- arson

Hate crimes include any crime motivated by bias against:

- race
- religion
- sexual orientation
- ethnicity/national origin
- and/or disability

Data includes the following: offense type, location, bias motivation, victim type, number of individual victims, number of offenders, and the race of the offenders.
