## **How to Flirt With Men: ... and make him want you!** Grant J Hall

Grant J Hall, a bestselling author and relationship advisor will teach you the ropes on how to steal your man's heart, making him putty in your fingers.

First, try to answer the following questions ...

Do you feel like you're going nowhere in the relationship department?

Do you often look at your flirty friends and wonder what their secret is?

Do you feel as though you are on the sidelines watching everyone else land a man?

Do you wish that you could capture the magic of what it means to be a good flirt and attract the men?

If so, you need this book to guide you, because the idea of flirting is nothing new and yet it's something that so many of us struggle with. It's enough to make you wonder if it's really all that important.

Not just at the beginning when flirting is a great way to reel him in, but rather at every stage of the relationship too. This is a huge mistake that so many women tend to make.

You see, you never really stop flirting! That's an important point to remember because the minute that you stop communicating and having fun in this way is the minute that the relationship goes into a dark place.
