I Want You To Succeed In Your Corporate Climb: How My Common Sense Coaching Can Help You Create the Corporate Career Success You Want and Deserve Bud Bilanich

Success! That's what I offer you with this book — personal and professional success. You'll find: • How to become a personal and professional success; • The kinds of help you can get from me; • How I deliver it; • Who I am and why you should trust me; • Your options; and how to decide what to do next. This book is all about how I coach people, and why coaching is so important in your career success. You'll read about other people stories — what they've been challenged with, and how I've helped them overcome their blocks and to find success in their careers. All successful people are outstanding performers, but not all outstanding performers are successful people. This is at the heart of my philosophy on personal and professional success. Start by reading this book and asking yourself what is holding you back.
