The supernatural monsters of Kaylie Hart's past are back for good. Now that she has decided to stop running, she struggles to keep her normal and paranormal lives balanced.

After returning to town from an unsuccessful road trip to find her missing brother, Kaylie and her friends discover that men are going missing in Jackson. She quickly determine that they are hunting a Siren- a mythological creature that targets men by manipulating and eventually killing them. It's all in a night's work for Kaylie and the other Hunters.

In addition to hunting again, Kaylie has also decided to open her heart to a fellow Hunter, Rafe. But when Rafe becomes the Siren's latest victim, Kaylie's two worlds collide and she is forced to face both of her deepest fears- love and loss.

Lost Souls is the fourth story in the Soul Hunters Series. It is a 16,000 word/80 page paranormal romance/urban fantasy adventure.
