The book includes 16 chapters, organized as follows:

Chapters 1-6 cover issues of classroom survival: basic principles of language learning and teaching and course and lesson planning.

Chapters 7-14 discusses the language skills of listening, speaking, reading, writing, vocabulary, and grammar; the role of culture in language teaching; and some of the problems that recur in EFL classrooms.

Chapter 15 addresses adaptation to life in the host country.

Chapter 16 suggests paths for volunteers who become interested in being professional language teachers.

This book also includes useful appendixes with a starter kit for course planning, culture-topic activity ideas for oral skills classes, and print and Internet resources for teachers and students/
