Tender: A Novel Belinda McKeon

A searing novel about longing, intimacy and obsession from the award-winning author of *Solace*.

When they meet in Dublin in the late nineties, Catherine and James become close friends. She is a sheltered college student, he an adventurous, charismatic young artist. In a city brimming with possibilities, he spurs her to take life on with gusto. But as Catherine opens herself to new experiences, James's life becomes a prison, walled off by a truth he feels unable to share. When crisis hits, Catherine finds herself at the mercy of uncontrollable feelings, leading her to jeopardize everything.

By turns exhilarating and devastating, *Tender* is an exploration of human relationships, of the lies we tell ourselves and others. A high-wire act with psychological insights, this daring novel confirms McKeon as a major voice in Irish fiction, alongside the masterful Edna O'Brien and Anne Enright.
