The Fate of Katherine Carr (Otto Penzler Books) Thomas H. Cook

George Gates used to be a travel writer who specialized in places where people disappeared—Judge Crater, the Lost Colony. Then his eight-year-old son was murdered, the killer never found, and Gates gave up disappearance. Now he writes stories of redemptive triviality about flower festivals and local celebrities for the town paper, and spends his evenings haunted by the image of his son's last day.

Enter Arlo MacBride, a retired missing-persons detective still obsessed with the unsolved case of Katherine Carr. When he gives Gates the story she left behind—a story of a man stalking a woman named Katherine Carr—Gates too is drawn inexorably into a search for the missing author's brief life and uncertain fate. And as he goes deeper, he begins to suspect that her tale holds the key not only to her fate, but to his own.
