The Rainbow Detective Agency: A Guy With Two Penises: Book 3 Ryan Field

In this third book in The Rainbow Detective series, Proctor and Blair take on a case that involves blackmail, kidnapping, and a handsome young guy with two perfect penises. The guy with two penises is a public personality, and the wealthy client who hires Blair and Proctor is willing to pay a huge sum of money to keep the guy's two penises a secret.

As fascinated as Blair and Proctor are with the guy who has two penises, there are dangerous, unexpected twists in this case that put them in grave danger. And the fact that they are in love with each other doesn't make working together any easier. It's the kind of peculiar double penis case that will not only test their love, but also test whether or not they can continue working together.

Will Blair be able to grow up and meet Proctor's professional expectations? And will Proctor ever be able to get the guy with two perfect penises out of his head?
